TO LIST ADDITIONAL US EPA WASTE CODE(S) AND SUBCATEGORY(IES) USE A SUPPLEMENTAL SHEET

 HERE

W MUST THE WASTE BE MANAGED? In Column 7 above, enter the letter (A, B1, B2, B3, C, or D) below that describes how the waste must be managed to comply with the land disposal regulations (40 CFR 268.7). Please understand that if you enter the letter B1, B2, B3, or D, you are making the appropriate certification as provided below.

A. RESTRICTED WASTE REQUIRES TREATMENT

This waste must be treated to the applicable treatment standards set forth in 40 CFR Part 268 Subpart D 268.32 or RCRA Section 3004 (d).

B.1 RESTRICTED WASTE TREATED TO PERFORMANCE STANDARDS

I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that, based upon my inquiry of those individuals immediately responsible for obtaining this information, I believe that the treatment process has been operated and maintained properly so as to comply with the performance levels specified in 40 CFR Part 268 subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004 (d) without impermissible dilution of the prohibited waste. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment."

B.2 RESTRICTED WASTES FOR WHICH THE TREATMENT STANDARD IS EXPRESSED AS A SPECIFIED TECHNOLOGY (AND THE WASTE HAS BEEN TREATED BY THAT TECHNOLOGY)

"I certify under penalty of law that the waste has been treated in accordance with the requirements of 40 CFR 268.42. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment."

B.3 GOOD FAITH ANALYTICAL CERTIFICATION FOR INCINERATED ORGANICS

"I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that based on my inquiry of those individuals immediately responsible for obtaining this information, I believe that the non-waste water organic constituents have been treated by incineration in units operated in accordance with 40 CFR part 264 subpart D or part 265 subpart D, or by combustion in fuel substitution units operating in accordance with applicable technical requirements, and I have been unable to detect the non-waste water organic constituents despite having used best good faith efforts to analyze for such constituents. I am aware that there are significant penalties for submitting a false certificate including the possibility of fine and imprisonment."

C. RESTRICTED WASTE SUBJECT TO A VARIANCE

This waste is subject to a national capacity variance, a treatability variance, or a case-by-case extension. Enter the effective date of prohibition in column 7 above.

D. RESTRICTED WASTE CAN BE LAND DISPOSED WITHOUT FURTHER TREATMENT

I have determined that this waste meets all applicable treatment standards set forth in 40 CFR part 268 subpart D and all applicable prohibition levels set forth in section 268.32 or RCRA section 3004 (d), and therefore can be land disposed without further treatment. A copy of all applicable treatment standards and specified treatment methods is maintained at the treatment, storage and disposal facility named above. "I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR part 268 subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA section 3004(d). I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting false certification, including the possibility of a fine and imprisonment."

WASTE IS NOT CURRENTLY SUBJECT TO PART 268 RESTRICTIONS

This waste is a newly identified waste that is not currently subject to any 40 CFR Part 268 restrictions.

I hereby certify that all information submitted in this and all associated documents is complete and accurate to the best of my knowledge & information.

Certificate of Disposal

No. 28513

Customer Manifest: 03539 Document: F2714 destroyed as of APRIL 08, 1997

This is to certify that the hazardous material manifested to Laidlaw Environmental Services on the above Laidlaw Aragonite Document Number was disposed of by incineration in accordance with 40 CFR 761 (and 40 CFR 264 if applicable) as of the above certification date.

Attached is a detailed report which identifies the date(s) of disposal. Residue from this waste has been disposed of at an approved and permitted Hazardous Waste Landfill.

Under civil and criminal penalties of law for the making or submission of false or fraudulent statements or representations (18 U.S.C. 1001 and 15 U.S.C. 2615), I certify that the information contained in or accompanying this document is true, accurate, and complete. As to the identified section(s) of this document for which I cannot personally verify truth and accuracy, I certify as the company official having supervisory responsibility for the persons who, acting under my direct instructions, made the verification that this information is true, accurate, and complete.

15. Special Handling Instructions and Additional Information If unable to deliver, return to generator.... In case of spill or accident contact CHEMREC @ (800)424-9300. WEAR PROPER PROTECTIVE EQUIPMENT WHEN HANDLING THIS WASTE.																													
CONFIRMATION # 961279 TRAILER # KVS 470 SEAL # 0125522																													
16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations.																													
If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.																													
Printed/Typed Name MICHAEL P. PILE		Signature <i>Michael P. Pile</i>		Month Day Year 05 21 96																									
17. Transporter 1 Acknowledgement of Receipt of Materials Printed/Typed Name <i>JEFF BAKER</i> Signature <i>Jeff Baker</i>																													
18. Transporter 2 Acknowledgement of Receipt of Materials Printed/Typed Name Signature <i>MARSHALL FINSTER</i>																													
19. Discrepancy Indication Space 12,13a) Corrected count & quantity per Michael Pile 6/5/96 GAW																													
20. Facility Owner or Operator Certification of receipt of hazardous materials covered by this manifest except as noted in Item 19. Printed/Typed Name <i>MARSHALL FINSTER</i> Signature <i>Marshall Finster</i>
